Five -Year NIMS Training Plan and Fiscal Year 2009 NIMS Implementation

In February 2008, the FEMA National Integration Center's Incident Management System Integration (IMSI) Division released the *Five-Year NIMS Training Plan*. This document defines NIMS core competencies, training courses, and personnel qualifications.

The intent of this NIMS Alert is to clarify the requirement of training courses available during Fiscal Year 2009. ***Emergency Management Framework Course – Awareness Training*** is, as of yet, unavailable to NIMS stakeholders through the Independent Study website. Due to this lack of availability IMSI is removing the course from this fiscal year's NIMS training requisites.

All questions can be directed to the IMSI Division via e-mail: FEMA-NIMS@dhs.gov or via telephone: 202.646.3850.
